

ePoster Presentations

No.	A. Pharmaceutical Policy and Administration	
100	Use of medical services among individuals at risk of developing diabetes identified by the Japanese specific health checkup program Manabu Akazawa , Meiji Pharmaceutical University, Japan	97
101	Analysis of factors related to not accessed to Peginterferon alfa-2a and ribavirin in patients with chronic hepatitis C virus Nonthanit Chaimongkol , The Maharaj Nakorn Chiang Mai Hospital, Thailand	97
102	Effectiveness of polypharmacy reduction policy in Japan: Nationwide retrospective observational study Takehiro Ishida , Teikyo University, Japan	98
103	Affordability of cardiovascular medicines in Armenia Irina Kazaryan , Yerevan State Medical University, Armenia	98
104	Evaluation of the national system of pharmacovigilance in Armenia Irina Kazaryan , Yerevan State Medical University, Armenia	99
105	Comparison of assessment results for Periodic Safety Update Report among the European Union, Korea, the United States, and Japan Seung-Mi Lee , Daegu Catholic University, Korea	99
106	The impact of clinical pharmacist interventions on intravenous administration of antimicrobials by nurses Akshay Nidha , St. Joseph's College, India	100
107	Trend analysis of prescription patterns of psychotropic drugs for elderly patients in Japan: A nationwide population-based study Jinsang Park , International University of Health and Welfare, Japan	100
108	Can external control studies supplement single-arm trial data as part of regulatory, reimbursement and HTA submissions in Asian countries? Nancy Schoenherr , Merck Healthcare KgaA, Germany	101
109	Comparison between comparison group of CASPIAN trial and its reproduction by Medicare 5% sample data Midori Tateyama , Milliman. Inc, Japan	101
110	Impact of COVID-19 Pandemic on medicine supply chain: Experiences of community pharmacists Girish Thunga , Manipal Academy of Higher Education, India	102
No.	B. Pharmacoepidemiology and Pharmacovigilance Research Methods	
111	Clomiphene Citrate and associated risk of blindness Abdulaziz Alakeel , Saudi Food and Drug Authority, Saudi Arabia	102
112	Adverse drug reactions to first-line anti-tuberculosis drugs and their impact on quality of life in tuberculosis patients Jeong-Hee Choi , Hallym University College of Medicine, Korea	103
113	Exploring measurement issues with the proportion of days covered method used to calculate adherence to cardiovascular medicines: A scoping review Lachlan L. Dalli , Monash University, Australia	103

114	Mortality associated with carbapenem for patients with Carbapenemase-Producing Enterobacteriaceae colonization: A population-based cohort study Min Fan , <i>The University of Hong Kong, Hong Kong</i>	104
115	A disproportionality analysis of spontaneous adverse event reports for diabetes insipidus attributed to sevoflurane to FDA Adverse Events Reporting System Akhil T Jacob , <i>Oxbridge College of Pharmacy, India</i>	104
116	Unravelling signals pertinent to citalopram induced hepatic steatosis-a disproportionality analysis in FAERS Database validated through cutting-edge bio-informatics and insilico techniques Siyad KV , <i>M.S. Ramaiah University of Applied Sciences, India</i>	105
117	Adverse drug event surveillance system for common people: Effective utilization of a WhatsApp based drug information platform Jose J Kochuparambil , <i>St. Joseph's College, India</i>	105
118	Indirect cost and utility associated with persistence to treatment in patients with acute coronary syndrome after percutaneous coronary intervention Erna Kristin , <i>Universitas Gadjah Mada, Indonesia</i>	106
119	Comparative risk of arterial thromboembolic events between aflibercept and ranibizumab in patients with Maculopathy Wan-Ju Annabelle Lee , <i>Chi Mei Medical Center, Taiwan</i>	106
120	COVID-19 and post COVID-19 symptoms as adverse events of Amphotericin B: A chronicle with FDA adverse event reporting system (FAERS). Eswaran Maheswari , <i>M.S. Ramaiah University of Applied Sciences, India</i>	107
121	Drug induced mucormycosis reports: A pharmacovigilance study employing FDA Adverse Event Reporting System (FAERS) Eswaran Maheswari , <i>M.S. Ramaiah University of Applied Sciences, India</i>	107
122	Investigation of adverse events reported for sennosides through FDA Adverse Event Reporting System (FAERS) Eswaran Maheswari , <i>M.S. Ramaiah University of Applied Sciences, India</i>	108
123	Validating an approach to reduce immeasurable time bias in cohort studies: A real-world example and Monte Carlo simulation study In-Sun Oh , <i>Sungkyunkwan University, Korea</i>	108
124	Cefaclor-induced hypersensitivity: Differences in the incidence of anaphylaxis relative to other 2nd and 3rd cephalosporins Hyo-In Rhyou , <i>Sungkyunkwan University, Samsung Changwon Hospital, Korea</i>	109
125	Recurrent pregnancy loss and incidence of thrombotic diseases: A retrospective cohort study using large claim database Sachiko Tanaka , <i>Kyoto University, Japan</i>	109
126	Antipsychotics and other risk factors of mortality in patients with delirium Daniel Hsiang-Te Tsai , <i>National Cheng Kung University, Taiwan</i>	110
127	Effectiveness of Sodium-Glucose Cotransporter-2 Inhibitors in frail people with diabetes Stephen Wood , <i>Monash University, Australia</i>	110
128	Comparison of methods to estimate diabetes-related cost using claims data in China Zheng Yin , <i>IQVIA, China</i>	111

129	Patient-reported Outcome Measures (PROMs) utilization in clinical trials and real-world studies of psoriasis in China: A literature review Zheng Yin , IQVIA, China	111
130	The design considerations for disease registry studies in China Zheng Yin , IQVIA, China	112
131	Trajectories of severity pattern among patients with systemic lupus erythematosus in Korea Seung-Hun You , Chung-Ang University, Korea	112
132	Assessing the performance of physician's prescribing preference as an instrumental variable in comparative effectiveness research with moderate sample sizes Lisong Zhang , University of Glasgow, United Kingdom	113
No.	C. Drug Safety Risk Monitoring, Evaluation, and Prevention	
133	Safety signal of dulaglutide and the risk of arthralgia: Evidence from pharmacovigilance data Abdulaziz Alakeel , Saudi Food and Drug Authority, Saudi Arabia	113
134	Non-vitamin K-dependent oral anticoagulants versus warfarin for atrial fibrillation in morbid obese patients Monirah Albabtain , Prince Sultan Cardiac Center, Saudi Arabia	114
135	Pfizer-Biontech vaccine associated with myocardial infarction as adverse events- signal review Abdulrahman Alomair , Saudi Food and Drug Authority, Saudi Arabia	114
136	Experience of COVID-19 Vaccine use and evaluate side effect in Maioli County Ching Yu Chang , Da Chien Hospital, Taiwan	115
137	Risk of vascular adverse events associated with multiple myeloma treatments in Taiwan: A nested case control study Mei Tsen Chen , National Taiwan University, Taiwan	115
138	Signal detection of co-administration of MMR vaccine with other vaccines Haerin Cho , Ewha Womans University, Korea	115
139	Current state of adverse event reports concerned with age-contraindicated drugs on Korea Pharmaceutical Association Database Eunyoung Choi , Sungkyunkwan University, Korea	116
140	Signal detection of drospirenone-containing oral contraceptives using the Korea Adverse Event Reporting System Database, 2008–2017 Ahhyung Choi , Sungkyunkwan University, Korea	116
141	Early safety monitoring of COVID-19 vaccines in elderly over 75 Yun Jae Han , National Medical Center, Korea	117
143	Trends and factors in relation to metformin related adverse drug reactions in older adults in Jiangsu Province of China Yiwen Hua , Southeast University, China	117
144	Development of risk prediction model for hypocalcemia in bone metastasis patients treated with denosumab plus natural vitamin D/Ca supplement Keisuke Ikegami , Keio University, Japan	118

145	Cancer risk associated with use of valsartan in Korea: A nationwide cohort study Ha-Lim Jeon , Sungkyunkwan University, Korea	118
146	Relationship between the early initiation of insulin treatment and incidence of diabetic complications in type 2 diabetes in Korea Ha-Lim Jeon , Sungkyunkwan University, Korea	119
147	Knowledge of community pharmacists in the Kathmandu Valley, Nepal about the risks associated with medication use during pregnancy Sajala Kafle , KIST Medical College, Nepal	119
148	Establishment of severance contrast media safety and management office Sung-Ryeol Kim , Yongin Severance Hospital, Yonsei University College of Medicine, Korea	120
149	The status of collection and provision in post-marketing drug adverse event reports in the Republic of Korea Dahye Kim , Korea Institute of Drug Safety and Risk Management, Korea	120
150	An active surveillance study to trace the risk factors associated with adverse drug reactions in COVID-19 treatment Jose J Kochuparambil , St. Joseph's College, India	121
151	Osimertinib-associated pulmonary embolism: Results from serious adverse event review system in the Republic of Korea Jeong Yoon Kwon , Korea Institute of Drug Safety and Risk Management, Korea	121
152	Adverse Events Following Immunization (AEFI) of COVID-19 vaccine in a Province of Thailand Apichart Laithong , Surin Provincial Health Office, Thailand	122
153	Risk factors of adverse reactions following preventive treatment for latent tuberculosis infection in household contacts of active tuberculosis Jae-Eun Lee , Chung-Ang University, Korea	122
154	Signal Detection of Adverse Events of piperacillin/tazobactam using the Korea Adverse Event Reporting System (KAERS) Database Huieon Lee , Ewha Womans University, Korea	123
155	Skin test based strategy for selecting alternative iodinated contrast media in patients with hypersensitivity reaction: A prospective confirmative study Ji-Hyang Lee , Asan Medical Center, Korea	123
156	Korean Medicinal Narcotics exclusive monitoring system using Real World Data reported on NIMS Chang-yeob Lee , Korea Institute of Drug Safety and Risk Management, Korea	124
157	Signal detection of rotavirus vaccine adverse events using the Korea Adverse Event Reporting System Database Eunsun Lim , Ewha Womans University, Korea	124
158	Cefepime-induced neurotoxicity: A retrospective cohort study in a tertiary healthcare facility Sonal Sekhar Miraj , Manipal Academy of Higher Education, India	125
159	Drug-related problems of patients in primary health care institutions: A systematic review Xiaofeng Ni , West China Second University Hospital, Sichuan University, China	125
160	Comparison of Enhanced Safety Monitoring for COVID-19 Vaccine between United States, United Kingdom, Canada, Australia, and Korea Sewon Park , Chung-Ang University, Korea	126

161	An analysis of prescription patterns and occurrence of cardiac disorders in Hydroxychloroquine users in Korea Nayeong Son , Korea Institute of Drug Safety and Risk Management, Korea	126
162	Detecting adverse drug events with the use of Protamine as a trigger tool Nutjaree Suttitong , Maharaj Nakorn Chaing Mai Hospital, Thailand	127
163	Efficacy and safety of inhaled corticosteroid containing combinations in patients with chronic obstructive pulmonary disease: A systematic review and meta-analysis Christy Thomas , National Institute of Pharmaceutical Education and Research (NIPER), India	127
164	Detecting drug-drug interaction signal of concomitant use of warfarin and statin using Korea Adverse Event Reporting System Database Heehyun Won , Ewha Womans University, Korea	128
165	Cisplatin-induced nephrotoxicity in childhood cancer: Comparison between two countries Zulfan Zazuli , Bandung Institute of Technology, Indonesia	128
No.	D. Pharmacogenomics Research and drug Safety	
166	Ustekinumab use associated with vasculitis as Adverse Events - Signal Review Abdulrahman Alomair , Saudi Food and Drug Authority, Saudi Arabia	129
167	Identification of therapeutic potential of Ginsenosides against the Autism spectrum disorder by bioinformatics interlaced with in-silico techniques Gouri Nair , FPH, MSRUAS, India	130
168	The association between HLA Class II Alleles and ICM Anaphylaxis Ga-Yoon Park , Seoul National University Hospital, Korea	130
No.	E. Evidence-Based Medicine	
169	Beta-agonists maintenance therapy to prevent perinatal mortality in preterm labor: A network meta-analysis Win Yee Choo , Kaohsiung Medical University, Taiwan	131
170	Physician's attitude towards Clinical Pharmacists Advice on the Rational Prescribing of Antibiotics. Aleena Issac , Nirmala College of Pharmacy, India	131
171	A big data analysis of perioperative transfusions and risk factor in autologous breast reconstruction Hee-Jin Kim , Ewha Womans University, Korea	132
172	The prediction of adverse outcomes in older patients with COVID-19 using hospital frailty risk score Mi-Sook Kim , Seoul National University Hospital, Korea	132
173	The Influence of diabetic history in the prognosis of hospitalized COVID-19 Patients - A prospective observational study Jose J Kochuparambil , St. Joseph's College, India	133
174	Real-world Evidence of prognosis in the special population of HCV-coinfected with HBV patients receiving direct-acting antiviral agents Pei-Chin Lin , Kaohsiung Veterans General Hospital, Taiwan	133

175	Risk of fracture with GLP-1 RAs, DPP-4i, or SGLT-2i for type 2 diabetes mellitus: A systematic review and network meta-analysis Fengqi Liu , <i>Peking University, China</i>	134
176	Association between Vitamin E intake and risk of prostate cancer: A meta-analysis involving 6,00,954 subjects Muhammed Rashid , <i>Manipal Academy of Higher Education, India</i>	134
177	Efficacy and safety of corticosteroids in Acute Respiratory Distress Syndrome: A systematic review of meta-analyses Muhammed Rashid , <i>Manipal Academy of Higher Education, India</i>	135
178	Global prevalence of hyperuricemia among chronic kidney disease patients - a systematic review and meta-analysis Ishfaq Rashid , <i>National Institute of Pharmaceutical Education and Research (NIPER), India</i>	135
179	Efficacy of antifungal therapy in the management of fungal co-infections in COVID-19 patients: A systematic review and meta-analysis Atiqulla Shariff , <i>JSS Academy of Higher Education and Research, India</i>	136
180	Adverse drug reactions of GLP-1 agonists: A systematic review of descriptive studies Rashmi Shetty , <i>Manipal Academy of Higher Education, India</i>	136
181	Quality assessment of randomized controlled trials and observational studies published on COVID-19 in 2020 Krishna Undela , <i>National Institute of Pharmaceutical Education and Research (NIPER), India</i>	137
182	Comparative efficacy and safety of treatment regimens for advanced, recurrent or metastatic endometrial cancer: A systematic review Snehapriya Yeddala , <i>MCPHS University, United States</i>	137
No.	F. Evidence-Based Pharmacy	
183	Evaluation of practice on antimicrobial medicines dispensing from community pharmacies Anahit Amirkhanyan , <i>Yerevan State Medical University, Armenia</i>	138
184	Clinical outcomes of gestational age based parenteral nutrition initiation in very low birth weight preterm neonates – a pharmacist's purview Vanitha Rani Nagasubramanian , <i>Sri Ramachandra Institute of Higher Education and Research, India</i>	138
185	A point prevalence survey of antimicrobial utilisation patterns and quality indices amongst hospitals in South Africa; findings and implications Phumzile Skosana , <i>Sefako Makgatho Health Sciences University, South Africa</i>	139
No.	G. Drug Utilization Evaluation Studies	
186	Assessing the circumstances of poisoning and antidote therapy in a tertiary care teaching hospital Shraavani Akundi , <i>JSS Academy of Higher Education and Research, India</i>	139
187	Adherence and associated factors of treatment regimen in drug-susceptible tuberculosis patients Sungho Bea , <i>Sungkyunkwan University, Korea</i>	140
188	Sub-optimal use of evidence-based medical therapy in chronic limb-threatening ischemia patients undergoing lower-limb revascularization in Singapore Sze Ling Chan , <i>SingHealth, Singapore</i>	140

189	Treatment escalation among steroid dependent patients in inflammatory bowel disease: Before and after approved policy on biologicals Nai-Yu Chen , <i>National Cheng Kung University, Taiwan</i>	141
190	Nationwide patterns of prescribing contraindicated drug-drug interaction pairs in Korea Wonbin Choi , <i>Chung-Ang University, Korea</i>	141
191	Pregnancy outcomes of women on antiretroviral therapy in Jos University Teaching Hospital: A retrospective study Maxwell Dapar , <i>University of Jos, Nigeria</i>	142
192	Influencing factors for medication in patients with mental disorders in middle-aged-older Chinese: Results from Charls Jingnan Feng , <i>Peking University, China</i>	142
193	Effect of drug subsidy policy on empagliflozin utilisation in Singapore: An interrupted time series analysis Winnie Foo , <i>Agency for Care Effectiveness, Ministry of Health, Singapore</i>	143
195	Outcomes and adverse events of methylphenidate treatment in pediatric patients: A cross-sectional study Penkarn Kanjanarat , <i>Faculty of Pharmacy, Thailand</i>	143
196	Drug use evaluation on Favipiravir for COVID-19 patients, Hua Hin Hospital Mattiga Kulee , <i>Hua-Hin Hospital, Thailand</i>	144
197	Impact of guideline on prescribing practice in antipsychotics in patients with dementia Miriam Leung , <i>The University of Hong Kong, Hong Kong</i>	144
198	Drug utilization review on antimicrobial agents in Ent Department Jeet Bahadur Moktan , <i>Adichunchanagiri University, India</i>	145
199	Evaluation of empirical antibiotics for community acquired Pneumonia in a hospital in Indonesia Dyah Aryani Perwitasari , <i>Universitas Ahmad Dahlan, Indonesia</i>	145
200	Pharmacoepidemiology of antibacterials use by Russian hospitals during the period 2009-2019 Dariya Savintseva , <i>Sechenov University, Russian Federation</i>	146
201	Evaluation of epidemiology in poisoned patients and cost analysis of antidotes at a tertiary care hospital Anjana Urath , <i>JSS Academy of Higher Education and Research, India</i>	146
202	Utilization pattern of anti-thrombotic agents in Peripheral Artery Disease patients with Chronic Kidney Disease: A nationwide retrospective cohort Study Jui-Hsien Wang , <i>National Cheng Kung University, Taiwan</i>	147
203	Long-term utilization of extended-release methylphenidate among patients with attention-deficit hyperactivity disorder in Asia and North America Youran Xu , <i>Janssen Research & Development, LLC, China</i>	147
204	Evolving trends in consumption of direct oral anticoagulants in 65 countries from 2008 to 2019: Analysis of pharmaceutical sales data Vincent KC Yan , <i>The University of Hong Kong, Hong Kong</i>	148

No.	H. Rational Drug Use	
205	Prescribing antibiotics in children by primary care physicians Anahit Amirkhanyan , Yerevan State Medical University, Armenia	148
206	Oxytetracycline residues in chicken table eggs sold in Gombe, Nigeria are within acceptable levels but may have cumulative effect Sulayman Balogun , University of Maiduguri, Nigeria	149
207	Effect of information provision using video media on patients' knowledge about antibiotics and anti-inflammatory drugs Thanasit Mangsuk , Chiang Mai University, Thailand	149
208	Drug-related problems in prescribing for outpatients in Vietnam Thang Nguyen , Can Tho University of Medicine and Pharmacy, Viet Nam	150
209	Antibiotic prescribing and cost after Implementation of Rationale Drug Use policy in health care settings in Thailand Watanyoo Prayoonhong , Phimai Hospital, Thailand	150
210	Criteria used by professionals for selecting resources of medicines information Anahit Sevikyan , Yerevan State Medical University, Armenia	151
211	The prevalence of inappropriate sale of drugs in grocery stores Sunisa Thinkeaw , Kapongchaipat Hospital, Thailand	151
212	Reference books as sources of information on use of medicines in children Lusine Vardanyan , Yerevan State Medical University, Armenia	152
212-1	Antibiotic Susceptibility Pattern and prevalence of Isolated Uropathogens in South Indian Urinary Tract Infection Patients Geethika Rayapati , Vignan Pharmacy College, Guntur, India	152
212-2	Knowledge, attitude and practice towards dispensing of antibiotics and over the counter drugs among community pharmacists in South India Harika Paritala , Vignan Pharmacy College, Guntur, India	152
No.	I. Pharmacoepidemiology and Traditional Medicines	
213	Real-world evidence of herpes zoster's disease burden and characteristics: A retrospective study in Fuzhou, China Yang Feng , Xiamen Chazen Biomedical Technology Co., Ltd., China	153
214	Trends of polypharmacy in patients living with dementia from 2005 to 2019 Miriam Leung , The University of Hong Kong, Hong Kong	153
215	Using real world data to investigate the relationship between Chinese herbal medicine decoction pieces and acute kidney injury Tsung Hsuan Lin , Chi Mei Medical Center/National Cheng Kung University, Taiwan	154
216	Incidence of non-alcoholic fatty liver diseases and their associated risk factors among type-2 diabetic population in Telangana, India Usha Sree Puneem , Sri Ramachandra University, India	154
217	Prevalence and characteristics of unsafe health products in community in Chiang Mai, Thailand Audchara Sansrisawad , Chiang Mai University, Thailand	155

218	Use of beta blockers and death from breast cancer in New Zealand breast cancer patients Oliver Scott , <i>University of Auckland, New Zealand</i>	155
No.	J. Prevention of Medication Errors and Drug Misuse/Abuse	
219	Prescriptions errors and role of pharmacists in ensuring patient safety Irina Kazaryan , <i>Yerevan State Medical University, Armenia</i>	156
220	Effects of pharmacist-based education on drug allergies in hospitalized patients Cheeratikarn Phithakham , <i>Chiang Mai University, Thailand</i>	156
221	Drug-related problems in in-patients in orthopedic wards at a regional hospital Nichakorn Piriychananusorn , <i>Uttaradit Hospital, Thailand</i>	157
222	Methadone education initiative for ethnic minorities in Northern Thailand Nannaphat Rungsiwaroj , <i>Thanyarak Chiangmai Hospital, Thailand</i>	157
223	Impact of clinical pharmacist collaborative care in identifying and resolving drug related problems in systemic autoimmune disorders patients Sujit Sah , <i>JSS Academy of Higher Education and Research, India</i>	158
224	Assessment of Clinical Pharmacist Initiated Interventions in a Pediatric Intensive Care Unit Juny Sebastian , <i>JSS Academy of Higher Education and Research, India</i>	158
225	Understanding by patients medicines information presented in patient package inserts Anahit Sevikyan , <i>Yerevan State Medical University, Armenia</i>	159
226	Real world effectiveness of methadone maintenance treatment on the reduction of suicidal attempts in patients with opioid use disorder Cheng-Chan Shih , <i>National Cheng Kung University, Taiwan</i>	159
No.	K. Rare Disease and Orphan Medicines	
227	Incidence and risk factors of steroid-related damage in Korean patients with Systemic lupus erythematosus, compared to general population, 2002-2018 Joo-Hyeon Eom , <i>Graduate School of Chung-Ang University, Korea</i>	160
228	Incidence and prevalence of moyamoya disease in urban China: A nationwide population-based study Yixin Sun , <i>Peking University, China</i>	160
No.	L. Post-Marketing Drug Effectiveness and Safety Evaluation	
229	Pharmacovigilance studies of atenolol among hypertensive patients in Government secondary care hospital of Hyderabad, Pakistan Mudassar Iqbal Arain , <i>University of Sindh Jamshoro, Pakistan</i>	161
230	Real-world effectiveness of lenvatinib and sequential treatment in the patients with hepatocellular carcinoma: Evidence from Taiwan Chun Ning Chang , <i>Linkou Chang Gung Memorial Hospital, Taiwan</i>	161
231	LDL-C Trajectories of statin initiators among patients with diabetes Miyuki Hsieh , <i>National Cheng Kung University, Taiwan</i>	161
232	Delayed cutaneous adverse reactions to ChAdOx1 nCoV-19 vaccine Sang-Heon Kim , <i>Hanyang University College of Medicine, Korea</i>	162

233	Detecting early safety signals for infliximab using machine learning algorithms in the Korea adverse event reporting system Ju Hwan Kim , Sungkyunkwan University, Korea	162
234	Effects of ambroxol on COVID-19 patients: A retrospective cohort study of 1922 patients Yun Lu , Zhongnan Hospital of Wuhan University, China	163
235	Real world effectiveness of immunotherapy in advanced non-small cell lung cancer patients with versus without documented psoriasis or rheumatoid arthritis Mohsin Shah , University of Pennsylvania, United States	163
236	SGLT2 inhibitors and risk of pancreatitis: A disproportionality analysis and systematic review of case reports Krishna Undela , National Institute of Pharmaceutical Education and Research (NIPER), India	164
237	Anticholinergic drugs use and risk of falls in the elderly: A retrospective cohort study Phar Watcharathanakij , Ubon Ratchathani University, Thailand	165
238	Prescription of atypical antipsychotics and the risk of hypothyroidism: A population-based, case-case-time-control study Bo Ram Yang , Chungnam National University, Korea	165
No.	M. Prevention and Treatment of Drug-Induced Diseases	
239	Steroid stewardship as a tool to tackle glucocorticoid induced hyperglycemia in COVID -19 patients Aleena Issac , Nirmala College of Pharmacy, India	166
240	Outcomes of 821 desensitization cases performed in a single tertiary hospital Hyun Hwa Kim , Seoul National University Hospital, Korea	166
241	Prevalence of immediate ADR from repetitive administration of iodinated RCM: Effectiveness of premedication and alternative RCM Sung-Ryeol Kim , Yonjin Severance Hospital, Yonsei University College of Medicine, Korea	167
242	How to reduce breakthrough response in contrast media re-exposure in patients with contrast media anaphylaxis? Ga-Yoon Park , Seoul National University Hospital, Korea	167
243	Identification of putative drugs for the treatment of myalgic encephalomyelitis/chronic fatigue syndrome using inverse FAERS Aina Shaju , M.S. Ramaiah University of Applied Sciences, India	168
No.	N. Other Related Fields	
244	Spontaneous reporting of adverse events following COVID-19 Vaccination: First 90 days experience from a hospital in South India Sheba Baby John , JSS Academy of Higher Education and Research, India	168
245	Relationship between Serum 25-Hydroxycholecalciferol status and patients with Polyarthralgia Tejaswini Baral , Manipal Academy of Higher Education, India	169
246	Association between Body Mass Index and short term-outcomes of stroke: Shiga Stroke and Heart Attack Registry Tserenlkhambajav , Shiga University of Medical Science, Japan	169

247	How to develop a real-world evidence strategy: Searching for a framework and validating it in cases from US and China Junqiao Chen , Roche Hong Kong Limited, Hong Kong	170
248	Drug-induced hepatotoxicity: An analysis of drug injury relief applications in Taiwan Mei-Yi Chien , Taiwan Drug Relief Foundation, Taiwan	170
249	A widespread failure to disclose: Audit of conflict of interest statements by Australian authors of Recent Clinical Trial Reports Bennett Holman , Yonsei University, Korea	171
250	Practice of face masking among young adults in South India: An online cross-sectional survey Aleena Issac , Nirmala College of Pharmacy, India	171
251	Descriptive analysis of Adverse Drug Reaction in a single hospital: A comparison of health insurance and medical aid patients Hyesu Jeong , National Medical Center, Korea	172
252	Evaluating the Knowledge and practice regarding foot care in diabetes mellitus patients visiting a tertiary care hospital of South India Jose J Kochuparambil , St. Joseph's College, India	172
253	Intra family encouragement in self-management of Type 2 Diabetes: A cross sectional evaluation in the Indian population Jose J Kochuparambil , St. Joseph's College, India	173
254	Risk classification and mortality prediction in patients with community-onset bacteremia: Machine learning derived algorithm Chun Te Li , National Cheng Kung University, Taiwan	173
255	Provision of answers to the poison information queries from public and healthcare practitioners (HCPS) at a tertiary care hospital Umesh Marappa , JSS Academy of Higher Education and Research, India	174
257	Effects of pharmaceutical care in patients with chronic kidney disease at a secondary care hospital Kanyarat Phromkamdang , Wiang Haeng Hospital, Thailand	174
258	Attitudes and opinions of 5th-year pharmacy students toward online OPSE in the COVID-19 era: A preliminary survey Prompiriya Pitirattanaworranat , Rangsit University, Thailand	175
259	Validation of Interview Guide: By adapting interview protocol refinement method Manasvini Ramakrishnan , Manipal Academy of Higher Education, India	175
260	Artificial intelligence in acute respiratory distress syndrome: A systematic review Muhammed Rashid , Manipal Academy of Higher Education, India	176
261	Assessment of public knowledge and attitude towards chronic kidney disease by using a validated questionnaire: A cross-sectional study Ishfaq Rashid , National Institute of Pharmaceutical Education and Research (NIPER), India	176
262	Evaluation on Hand Hygiene Knowledge and behavior among general population - A cross sectional study Vishal Anand S S , JSS Academy of Higher Education and Research, India	177
263	Comparison of drug safety reporting features among East and Southeast Asian countries Kimie Sai , National Institute of Health Sciences, Japan	177

264	Health literacy and awareness For COVID-19 prevention in Asia: A systematic literature review Akhilesh Vikram Singh , <i>Datta Meghe Institute of Medical Sciences, India</i>	178
265	Bariatric surgery for glycemic control in patients with type 2 diabetes mellitus: A systematic review and meta-analysis Minjung Son , <i>Yonsei University, Korea</i>	178
266	Glycemic control of insulin therapy in diabetic patients at a tertiary care hospital Karuna Sooktong , <i>Thanyarak Chiangmai Hospital, Thailand</i>	178
267	Prevalence and factors associated with periodontal disease and dental caries among patients with diabetes mellitus Krist Suwannarat , <i>Chiang Mai university, Thailand</i>	179
268	Recent trends in the incidence and prevalence of inflammatory bowel disease (IBD) in Japan and the US Michiyo Yamazaki , <i>Johnson & Johnson, United States</i>	179
269	Public perception towards expanding role of pharmacist in Sabah and Selangor, Malaysia Cindra Tri Yuniar , <i>Institut Teknologi Bandung, Indonesia</i>	180
