Wifi Connection

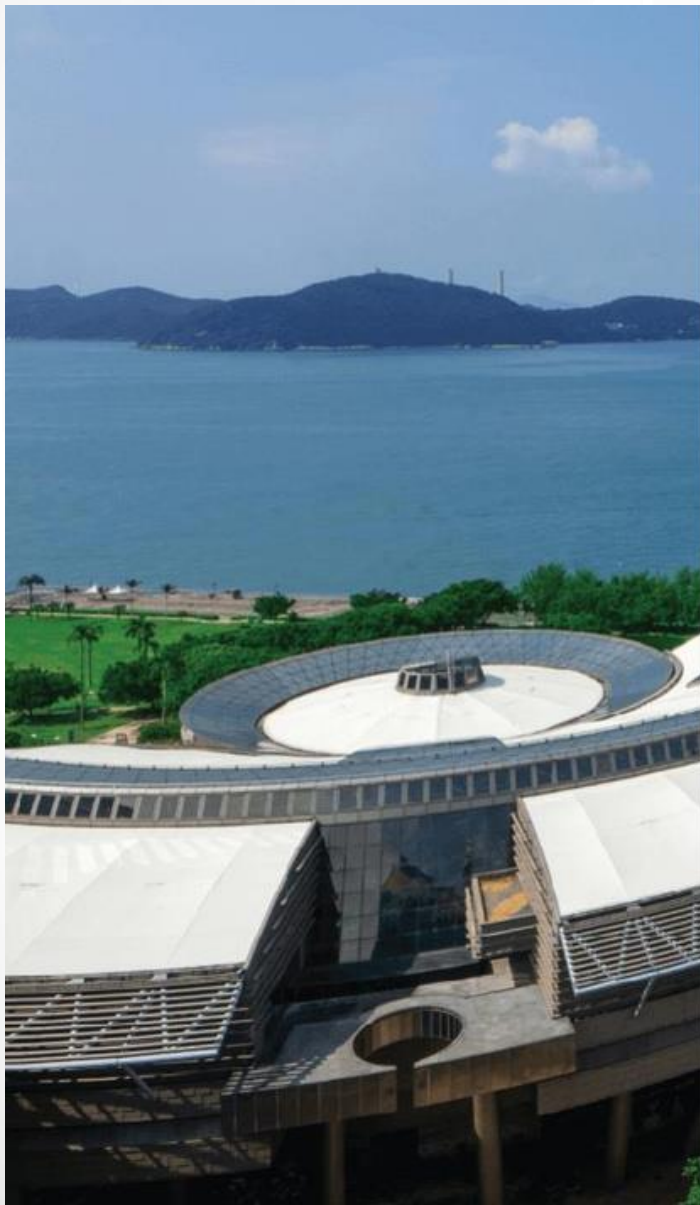

Cyberport Free Wi-Fi

This free wireless broadband service ("Service") is provided by Hong Kong Cyberport Management Company Limited ("HKCMCL") to the tenants and visitors of Cyberport, and residents and visitors of Residence Bel-Air. Please read below Service Terms and Conditions. To use the Service, users must accept these Service Terms and Conditions.

1. The Service allows the user to access the Internet via the Wi-Fi network provided by HKCMCL at Cyberport by using the user's Wi-Fi-enabled device. In order to use the Service, the user must use a Wi-Fi-enabled device and related software. It is the user's responsibility to ensure that the user's device works with the Service.
2. HKCMCL may from time to time modify or enhance or suspend the Service.
3. The user acknowledges and consents that:
 - (a) The Service has to be operated properly in accordance with the recommended practice, and with the appropriate hardware and software installed;
 - (b) The provisioning of the Service may reveal location-specific data, usage and retention of which are subject to HKCMCL's standard privacy policy;
 - (c) HKCMCL excludes all liability or responsibility for any cost, claim, damage or loss to the user or to any third party whether direct or indirect of any kind including revenue, loss or profits or any consequential loss in contract, tort, under any statute or otherwise (including negligence) arising out of or in any way related to the Service (including, but not limited to, any loss to the user arising from a suspension of the Service or Wi-Fi disconnection or degrade of Service quality); and
 - (d) HKCMCL will not be liable to the user or any other person for any loss or damage resulting from a delay or
